

# Recycling Tips for Move In

Duke Recycles 660-1426

## Reduce and Recycle your Waste During Move In!

- ✓ Leave the trash at the store! Tell them to hold the shoe boxes and excess packing material!
- ✓ Hold on to reusable crates and bags, then save them for move-out.
- ✓ Remove **tubes** from carpet rolls before arriving on campus.
- ✓ Remove **appliances** and **fans** from boxes before arrival.
- ✓ Empty and **flatten** cardboard boxes used for packing. Then recycle them!

**Reduce  
Reuse  
Recycle**

- Reduce your impact! Practice the 3Rs!
- Use reusable mugs and cups for drinks!
- Double-side your copies and print jobs!
- Recycle in one of 1800 bins on campus!
- Lead by example! The only thing in your trash bin should be non-recyclable items!

### Got Stuff?

Duke Recycles also recycles and reuses various other items, including **Toner Cartridges, Batteries, Cell Phones, Office and School Supplies, Computers, Furniture and More!** Call us for more information!

### Remember...

plastic, aluminum, tin, cardboard, glass, newspaper, office paper, index cards, junk mail, term papers, paperback books and anything reusable does not go in the trash!!
